**Entrepreneur Operating System—Sascha Mansson**

Sascha Mansson was born and raised in Central Minnesota and graduated from Concordia College in Moorhead, MN with a degree in Mathematics and Secondary Education. Life since graduation has consisted of an AmeriCorp VISTA Volunteer position in Coeur d’Alene, ID, teaching high school math (almost all levels of mathematics), an entrepreneur—owning her own business for almost 10 years, and now working with the Entrepreneur Fund as their EOS Implementer. She has lived in Duluth for 15 years, with her husband and joyful 6-year-old daughter.
